EVERY MERCANTILE BUSINESS IN HONOLULU HAS BEEN BUILT UP BY WOMEN CUSTOMERS

# EVENING BULLETIN

3:30 O'CLOCK THE BULLETIN HAS NO COMPETITOR AS HAWAII'S HOME PAPER EDITION

There is somewhere recorded the honors and blessings that fall to a man who makes two blades grass grow where but one grew before. This order of merit sure-ly extends to the man who dou-bles his business by the use of all legitimate means. If other men have waxed great from small beginnings by calling to their aid the potential influence of such a paper as the EVENING BULLE-TIN why should not you?

The officers and men of the big ship -aw nothing of the open boat although it must have been but a short distance from them. The men are at the Queen's Hospital where they told their story this forenoon to a Bulletin man.
